## Graphite with Inconel Over knitted Yarn(Flat Type)

Item: **GY214F**

### Description:

1. This series of products is made from graphite tape as basic material with outside crocheted Inconel mesh.
2. None of reinforced fiber made the ignition loss of this product is fewer.

### GENERAL PARAMETER:

Technical Data		Main Properties	
600°C/1.5h ignition loss	<8%	Sulfur Content	<1000ppm
Velocity	0~20m/s	Chlorine Content	<50 ppm
PH Range	0~14	Carbon Content of Graphite	≥99%
Corrosion Inhibitor	Sodium Molybdate	Ash Content	<0.5%

### PACKAGE:

In coils of 5kg, other packages on request.

Supply OEM products.
